I got interested in this tune about a month ago when I heard it in a jam session at the New England Folk Festival. The session included John Gersh and George Touchstone of the Boston area old time group the Dixie Butterhounds. George said to look for the version by Buddy Thomas, and I did find the transcription in Tilton's fine book, "Old Time Kentucky Fiddle Tunes." But then I ran across a great version by David Allen and Rob Golan on the Banjo Hangout MP3 archive, and I just sat and played along with that for awhile. This setting is the result.
